NETWORKING AND MATCHMAKING

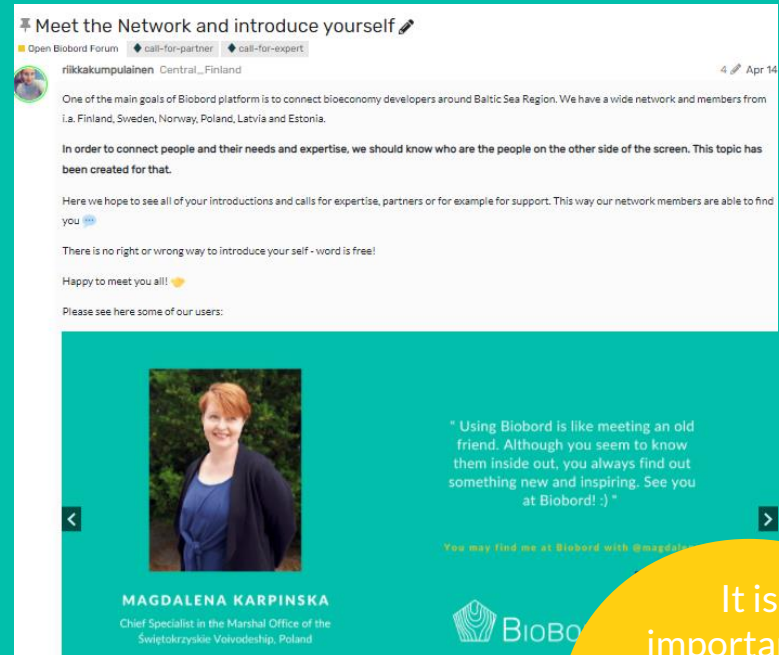

Networking and matchmaking

Bioeconomy developers around BSR

Biobord Staff there to help you connect

#Callforpartner #Call for expert tags to be used on Open Biobord

Meet the network topic where one can introduce

It is important to update your profile to get-to-know each others

NEW KNOWLEDGE

New bioeconomy related knowledge

A place to share studies and results

A Place to find that second opinion

One can easily share videos, documents, articles ect.

OnStage webinars an excellent tool to present solutions, innovations, proposals etc. to wider audience

OPEN ACCESS PRINCIPLE

BIOBORD
PLATFORM

WHERE TO FIND HELP ?

Biobord User Support group includes user manuals, quick tutorials and it is a group where you can easily share your questions.

Each new user receive contact list of Biobord Staff members. They are there to assist with the use of the platform, as well as to connect you with regional and global actors. @biobord_staff also works.

HelpDesk is a place where you may report technical errors.

Admin @riikkakumpulainen is there to help you with anything

Development
ideas are also
welcomed
